

The International Association of Aquaculture Economics and Management Graduate Student Travel Award

IAAEM is offering awards to students for travel to the 2007 WAS meetings in San Antonio Texas. The award amount is \$325 per student. To qualify for an award, applicants must present a paper at the meeting. Papers must contain an economic, management, or marketing theme to receive consideration. Winners will be notified by email approximately two months before the meeting. Award checks will be distributed during the meeting at the scheduled awards ceremony or the IAAEM board meeting.

To apply for a travel award, applicants must provide the following information:

1. Name, address, email, major, school, degree program, and expected graduation date.
2. Title of presentation.
3. Abstract or brief description of presentation.
4. Economic, management, or marketing contribution of the work.
5. Any other information the applicant would like the committee to consider.

Send applications by email attachment to: Prof. Donna J. Lee, Award Subcommittee Chair, DonnaL@ufl.edu.

Applications must be received by **September 15 2006**.
