

Tree Fruit Nursery Sources

(2004)

Curt R. Rom
Associate Professor
Department of Horticulture
University of Arkansas

Heather Friedrich
Project Technician
Department of Horticulture
University of Arkansas

NOTE: This list is not meant to be inclusive of all nurseries or exclusive of any nurseries. The list does not imply any quality standards or endorsement by the University of Arkansas. All purchasers are encouraged to evaluate the quality of the nursery and nursery stock prior to purchasing and to request and inspect warranties of the purchased plant material. States may differ in enforcement rules requiring delivery of virus-free, disease-clean and pest-free materials.
