County Fair

What a great time we had at the Saline County Fair. It was a long week, but we all had fun. The Petting Zoo was a big hit. Thanks so much to the Livestock Club for sprucing the area up - it looked great. At times Friday and Saturday night the line stretched out to the midway. When the school kids came through Friday it was fantastic. Those of you who worked in the petting zoo did a great job. I wasn't sure the three little pigs would make it they were so tired. All the booths in the Exhibit building also looked nice. I know there are lots of ribbons in 4-H homes because you brought lots of items to enter in the fair. Several of you won Best of Show. Everyone pitched in and worked hard during the week. I am so proud of our clubs and club members.

Change in Meetings

Everyone has been so busy with school starting, the county fair, several of us are going to the Southern Regional 4-H Leader's Forum, State Fair and just life in general. Several meetings have had to be changed.

- Livestock Club - Will meet Oct. 5 at 6:30 p.m. at the fair grounds.
- Freedom Reins Club - Will meet Oct. 28 at 6:30 p.m. at the fair grounds.

SPOOK CITY

Every year Main Street Benton hosts Spook City. The entire downtown is blocked off and local clubs and organizations set up booths around town and give out treats. Spook City will be held on Oct. 28. We need you to bring bags of candy to the office for us to give out that night and we need workers to work that night. Please call Nanette to volunteer.

Saline County's 175th Anniversary

This Year is Saline County's Septuagintaquinquecentennial (175th) anniversary. An all day celebration is being planned at the Saline County Courthouse on Tuesday, November 2, from 10 a.m. - 4 p.m. There will be a lot of historical items to see.

Christmas Parade

It's float time again !!!!!!!!!!! This year the theme is Toy Land. Kim Bakken will once again be the go-to person for the float. Work nights will be announced in the November newsletter. This float is a countywide float. Any club member is welcome to come and help build the float and then walk or ride on the float, so come on out and help!

Meetings and activities announced in this newsletter are open to youth between the ages of 5 and 19 without regard to race, color, national origin, religion, gender, or disability. Persons with disabilities who require alternative means for communication of program information (large print, audiotapes, etc.) should notify the county Extension office as soon as possible prior to the activity.
