Eugene Terhune
County Extension
Agent – Staff Chair

June 10, 2008

Enclosed you will find a copy of the 2008 Summer IPM Meeting Schedule.

These meetings will be again conducted under the Gin Shed at Farmer's Coop Gin in Cotton Plant and will be held about every two weeks through the growing season.

The meetings will be held during the lunch hour just as in the past.

Since Cotton and the other crops are so late this year, we will have **the first meeting on Tuesday, June 10, 2008.** Van Dawson, Staff Chair for Monroe County will be conducting the program next week.

As in the past, we will be informal and encourage you to ask questions of the Extension specialist. We hope to see you there.

Extension Programs are open to all regardless of race, color, age, disability, national origin, gender, religion, marital or veteran status or any other protected status.

Any person with disabilities requiring alternative means of communication of program information to participate should notify the county Extension office as soon as possible prior to the activity.

For more information, you can contact the county Extension office at (870) 347-2556.
