Community Service Update for May/June Newsletter

Bears

Yell County Extension Homemakers have made more than 400 Bears this past year! Chambers Hospital, River Valley Medical Center and River Valley Christian Clinic receive our bears. We are not scheduling a summer Bear Workshop but are providing Bear Supply Kits for those wanting to make bears at home this summer. The kits will be available at the Danville Extension Office by June 1. Our next workshop won't be until October (after the fair) so if you are able to make bears this summer to keep supply ahead of demand that would be GREAT! What better way to spend a hot summer day – inside making bears?

Cards

Yell County Extension Homemakers have made enough BEAUTIFUL cards for every nursing home resident in Yell County! Great job! We hope everyone had fun making the cards. Please join us in delivering these cards on a date that works best for you.

Dardanelle Nursing Home – Tuesday, May 4, approximately 3 p.m.

Ola/Yell County Nursing Home – Tuesday, May 11, 1 p.m.

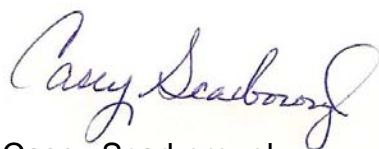

Mitchell's Nursing Home – Thursday, May 20, 1 p.m.

We will have the cards at the nursing home ready for you – just bring yourself and a smile for each resident.

We are planning another Card Workshop at the Extension Office this summer. We hope to make another batch of cards to deliver to nursing home residents. So, keep making handmade cards if this is something you enjoy doing ☺
