## Give a Handmade Card in 2010

2010's State Extension Homemaker Community Service Project is making and sending cards to people in our own county.

In Yell County, our goal will be to send each Yell County nursing home resident a "Thinking of You" card. Each club is asked to appoint a 'card leader' to organize making cards within your club. Your club can make cards individually, have a club card party or host a county card making party. Please bring cards you want distributed to nursing homes to the Extension Office by Friday, April 30.

Each club is asked to bring a handmade card to our Spring Council Meeting and we will vote on a card to send to the 2010 EH State meeting to represent Yell County.

Contact Jennie Jones with your club 'card leader' and any questions, by calling 229-1961 or, by e-mail, [jenniej@centurytel.net](mailto:jenniej@centurytel.net)
