

Trinity Scholarship for Aquaculture/Fisheries Students

Five \$1000 Scholarships available each year

for students enrolled in the Fisheries Biology program at UAPB

Eligibility: Undergraduate Fisheries students of any classification (including transfer) who demonstrate:

1. Academic achievement (Minimum 2.5 GPA).
2. Participation in activities relevant to career goals in aquaculture/fisheries.
3. Potential to excel in this field.
4. Financial need.

Submit:

1. Application (back of this form).
2. Transcript (GPA and ACT scores will be verified).
3. Letters of recommendation (at least 2) from instructors, counselors or employers who can assess your professional potential in aquaculture/fisheries.
4. A copy of your financial need determination from the FAFSA.

To: Rebecca Lochmann, Ph.D.,
1200 N. Univ. Dr., Mail Slot 4912
Pine Bluff, AR 71611
Phone: 870-543-8124

Deadlines: April 30 and November 1, each year

TRINITY AQUACULTURE/FISHERIES SCHOLARSHIP APPLICATION

Name: _____ Classification: _____

Home Address: _____

Home or campus phone#: _____ E-mail address: _____

G.P.A. _____ ACT score: _____ Major: _____

What is your reason for applying for this scholarship? Include financial considerations (attach a copy of the financial need determination from the FAFSA (Free Application for Federal Student Aid)).

What are your career goals? Attach additional sheets if necessary to answer this and all other questions on this application.

How will receipt of this scholarship help you achieve your career goals?

Describe activities/organizations that you have been involved in relevant to aquaculture/fisheries.

Is there anything that you would like to add in support of your application?

Send this completed application, transcript, letters of recommendation, and FAFSA statement by the deadlines to Dr Rebecca Lochmann at the address indicated on the reverse of this form. **Only complete applications will be considered.**
