## School Art, Fair Workers Meeting & Country Store Setup

We will meet at 9:00 a.m. on Wednesday, September 8 at the extension office to attach ribbons to school art.

Then we will meet at 9:00 a.m. on Thursday, September 9 at the Fair Grounds to hang school art, set up the country store, and have our fair workers meeting. Please participate if at all possible. There are some minor changes to age divisions that will need to be covered at the workers meeting. Cleanup will have already been done for us this year, so setup is all that will need to be done. Some can work on setup while others help organize school art. The more workers we have, the faster the work gets done.

## Club Work Schedule for County Fair

Club work schedules for the country store during the county fair need to be turned into the extension office by Friday, September 3. Contact the extension office if you have any questions.

## Leader Trainings for Sept. & Oct.

We will have leader training for September and October on Friday, Aug. 27 at 9 a.m., at the Danville Extension office. The programs are "Wise Credit" and "Staycation" (staying in Arkansas for Vacation). Every club needs to have someone attend to gather the information to submit to the club meeting. If your club is unable to attend, you need to contact the extension office to get the materials you need to conduct the educational portion of your club meeting.

## Club Financial Reports

Club Financial Reports are due to the county office by Friday, August 20. We have to have these to send into to the state office.

(More on Back)

## Quilted Placemat Workshop

The placemat workshop will be held on Thursday, Aug. 26 at 5 p.m. at the Danville Extension office. A list of items needed can be picked up at the extension office.

## Etched Glass Workshop

Monica Hancock will be conducting an etched glass workshop (time to be determined). She will gather all of the supplies and participants will pay a small fee. If you are interested, sign up at the extension office.

## Community Service Update

### Bears

Yell County Extension Homemakers made 430 Bears this past year! Chambers Hospital, River Valley Medical Center and River Valley Christian Clinic receive our bears. Kits to make bears are available at the Danville Extension office. Our next workshop will be Thursday, October 7 at 9 a.m. We will make bears until we run out of supplies or just can't make anymore. Feel free to drop in when you can. Let's see if we can break last year's number of bears made.

### Cards

Yell County Extension Homemakers cards are a hit!! We are continuing the project, distributing cards to the nursing homes throughout the county numerous times during the year. We will have another card making workshop on Thursday, November (time to be determined at a later date). Please let Jennie Jones know if your club is making cards and distributing them. We would like to know how many cards are made and distributed and to which nursing homes they are distributed.

## Save the Date: Fall Council

The EHC Fall Council will be held at the Millsap Center in Danville on Monday, November 8. Registration will begin at 9:30 a.m. and the meeting will begin at 10:00 a.m. The meal will be potluck.

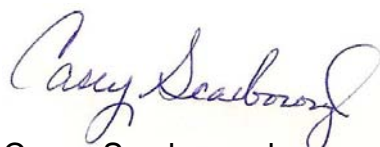

## New Club in Fourche Valley

Monday, Aug. 9, there will be an organizational meeting for a new club in Fourche Valley. They will meet at the old Fourche Valley School Cafeteria at 6:00 p.m. If you would like to come to help welcome new members and talk about your EHC experience, please do so.
