

5th & 6th Grade

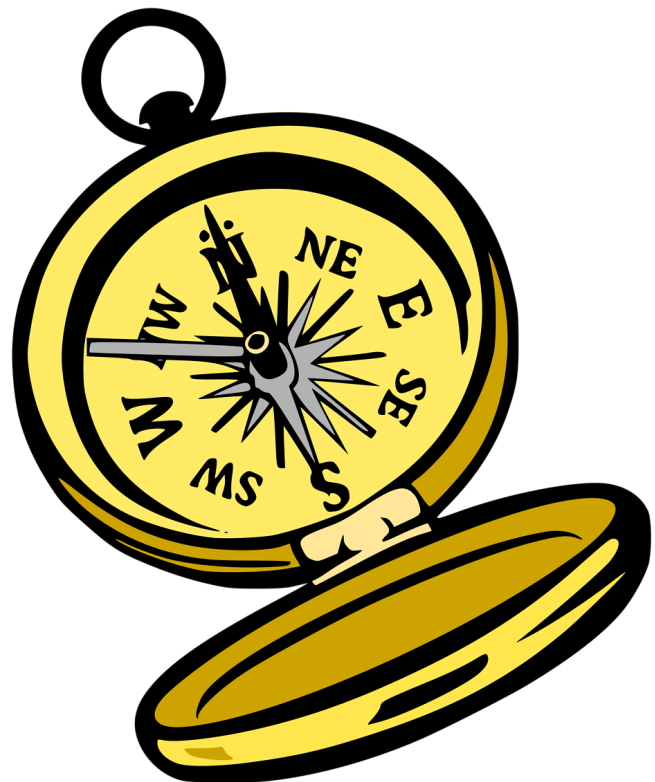

Environmental Explorers S.E.E.K.

Thank you for choosing to participate in SEEK and being willing to share your children with us. We have an exciting year planned for 5th & 6th grades and I look forward to exploring the environment together.

Please remember, many of our activities will take place outside, rain or shine, so dress accordingly

Planned Class Sessions:

- Scientific Method
- Plant Parts/Functions
- Weather
- Geology & Erosion
- Fungus
- Forestry
- The World of Water
- State of Matter
- Survival
- Simple Machines
- Human Effects on Ecosystems
- Historical Explorers of Arkansas
- Regions of Arkansas

Instructors: Eric De Vries and Casey Marshall

UofA DIVISION OF AGRICULTURE
RESEARCH & EXTENSION
University of Arkansas System

I CARE.
We Serve.

Please note, classes and timing are subject to change based upon availability of resources and other unforeseen factors.
