ARKANSAS OUTDOOR SCHOOL

we’ve opened the doors to the classroom outside, helping to connect educators and their students to the world beyond the school’s four walls.

Since 1993, we’ve opened the doors to the classroom outside, helping to connect educators and their students to the world beyond the school’s four walls.

For a truly memorable learning experience, contact us to create an Arkansas Outdoor School session for your group or class.

The Arkansas Cooperative Extension Service offers its programs to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status, and is an Affirmative Action/Equal Opportunity Employer. University of Arkansas, U.S. Department of Agriculture, and County Governments Cooperating.
Come to the Arkansas Outdoor School – a day of learning your students will never forget! We offer an exceptional learning experience in a natural setting.

Our classrooms are comprised of more than 220 acres of forests, creeks, fields, and a six-acre flat-water lake. AOS is located west of Little Rock at the C.A. Vines Arkansas 4-H Center.

Through these options, we create hands-on adventures for learners of all ages:

- Archery
- Fishing
- Outdoor Navigation
- Nature Photography
- Arkansas Wildlife
- Hiking
- Water Ecology
- Teambuilding
- Survival Skills
- Canoeing
- Rock Climbing
- Astronomy

All educational activities are taught by U of A facilitators. 4-H has always been project based, and its hands-on programming complements the Common Core state standards.

AOS can build the right program for your group or class, whether it’s a day, overnight or a multi-day visit. We create a unique opportunity for students to learn in a setting away from the traditional classroom.
