INSURANCE

Your personal medical insurance will be the insurance used if an emergency should occur. Therefore, we require a photocopy of the front and back of your insurance card with registration.

TUITION ---- TIERED PRICING

Realizing that families have differing abilities to meet the costs of our program, SEEK offers a three-tier fee program. This is a voluntary system: you have the freedom to pick the tier that is most comfortable or affordable for your family. Of course, all students will receive the same care and instruction, regardless of the price tier you choose.

Tier 1 : \$260 for the first student, and \$235 for the second child, and \$220 for each additional child in the family. This tier represents our historically subsidized rate and does not reflect the full operating cost of SEEK.

Tier 2 : \$309 for the first student, \$284 for the second, and \$269 for each additional child in the family. This tier represents a partially subsidized fee.

Tier 3 : \$409 for the first student, \$384 for the second child, and \$369 for each additional child. This tier more closely reflects the actual operating cost of a SEEK term, including materials costs, staff salaries, and fees to the 4-H Center.

A **\$50 NON-REFUNDABLE deposit** per student is required at the time of your online registration. Your **remaining balance** is payable by regular check or credit card, but it **MUST be paid by Friday, November 10, 2017**. A six-month payment schedule is an available option.
