INSURANCE

Your personal medical insurance will be the insurance used if an emergency should occur. Therefore, we require a photocopy of the front and back of your insurance card with registration.

TUITION ---- TIER PRICING!

Realizing that families have differing abilities to meet the costs of our program, SEEK offers a three-tier fee program. This is a voluntary system: you have the freedom to pick the tier that is most comfortable or affordable for your family. Of course, all students will receive the same care and instruction, regardless of the price tier you choose.

Tier 1 : \$275 for the first student, and \$250 for the second child, and \$235 for each additional child in the family. This tier represents our historically subsidized rate and does not reflect the full operating cost of SEEK.

Tier 2 : \$325 for the first student, \$300 for the second, and \$285 for each additional child in the family. This tier represents a partially subsidized fee.

Tier 3 : \$425 for the first student, \$400 for the second child, and \$385 for each additional child. This tier more closely reflects the actual operating cost of a SEEK term, including materials costs, staff salaries, and fees to the 4-H Center.

A \$50 NON-REFUNDABLE deposit per student is required at the time of your online registration. Your remaining balance is payable by regular check, credit card (?E-CHECK), but it MUST be paid by Friday, November 4, 2019. A six-month payment schedule is an available option.
