

Arkansas 4-H Publications

***4-H Project Books are a great asset to 4-H members!
Follow the key below to order.***

Key:

POD – Print on Demand – from our Publication Ordering System.

1. Go to <http://uaex.edu/publications/default.aspx>
2. Click online publication order system
3. Enter your zip code
4. Click CES Employee login (use your AD password)
5. Enter the order number (from above)
6. Click the red link and a PDF will download – then print

CES – Cooperative Extension Service Publication Ordering system.

1. Go to <http://uaex.edu/publications/default.aspx>
2. Click online publication order system
3. Enter your zip code
4. Click CES Employee login (use your AD password)
5. Enter the order number (from above)
6. Enter quantity
7. Click add-to-cart
8. Click continue shopping or checkout
9. Click proceed to checkout
10. Choose shipping (media mail rate) or pickup
11. Confirm shipping information

Handling fee (approx. \$2 per order regardless of if you pick up yourself) will apply.

4-H Mail – www.4-hmall.org - shipping & handling apply. Combine orders to save on shipping. You can set up an account and they will bill you. Sign up for their emails - for sales and free shipping offers.

Note – Most of the book listed as CES are available at the 4-H mall but you save approximately \$2 per book if you order from CES because they are bought in bulk.

Exploring Farm Animals from A-Z (K-3 grades)	\$3	6350	CES

4-H Projects

A 4-H project is the area of interest that members explore through hands-on activities, sequential learning experiences, goal setting, and evaluation. These skills are taught in project books like the ones shown above. More than 82 4-H projects are available.

New 4-H members are encouraged to limit their project choices to best maximize their first year experience and not become overwhelmed with completing them. Members select new projects each year or may re-enroll in the same projects for multiple years. 4-H projects are self-regulated and completed at the member's own pace.

If 4-H'ers need help choosing a project, go [HERE](http://www.uaex.edu/4h-youth/about/clubs.aspx) (<http://www.uaex.edu/4h-youth/about/clubs.aspx>). Scroll to the bottom of the page to Publications – click the accordion and it's the bottom file.

Record Books

4-H'ers need to record what they have done in their project area – go [HERE](http://uaex.edu/4h-youth/resource-library/project-books.aspx) (<http://uaex.edu/4h-youth/resource-library/project-books.aspx>) to find out how to fill out a record book. Record books are due in January to your County Extension Office.
