What is ESP?

The Alpha Iota Chapter of Epsilon Sigma Phi is the one Extension professional organization that looks after the needs of the whole Extension family. United, we are a powerful group.

The mission of Epsilon Sigma Phi is to foster the standard of excellence in the Extension System and to develop the Extension Profession and Professional.

Our vision is to provide and facilitate professional development that focuses on the Extension organization and the Extension professional. Epsilon Sigma Phi will give you answers to tough questions such as:

How do I get money for professional improvement? How do I succeed in Extension? How do I get recognition for outstanding educational programs? How do I develop my leadership skills? How can I help Extension gain greater support?
