Proposals for oral and poster presentations are being solicited for the 2016 Arkansas Galaxy Conference, scheduled for March 16-18, 2016, at the Winthrop Rockefeller Institute on Petit Jean Mountain. The Galaxy Conference is a great venue to communicate information with peers, provide training on emerging issues, and demonstrate organizational leadership by sharing expertise. Presenters must register for the conference.

**Oral Presentations**
Time slots for oral presentations are 45 or 90 minutes in length, including question and discussion time.

**Poster Presentations**
Posters will be on display for the first day of the conference. Authors are expected to present their poster during a scheduled 60-minute time slot during the conference to allow interaction and discussion.

Topics may include but are not limited to: lessons learned/best practices, emerging trends and/or issues in your discipline, innovative methods/programs, emerging technologies, effective programs, evaluation tools and techniques, research/scholarship, program development, leadership, and self-management/career development. Depending on the number of proposals received, presenters may be asked to consider an alternative presentation format to aid scheduling.

To submit a presentation, complete the online form and submit it no later than 11:59 p.m. on December 15, 2015. Contact Lisa Washburn (lwashburn@uaex.edu) or Jessica Street (jstreet@uaex.edu) with questions. **Proposal submission link: [http://bit.ly/1M9WtXB](http://bit.ly/1M9WtXB)**

The following information is needed to complete the online proposal form:

- Lead presenter name and email address
- Names of additional presenters
- Presentation title
- Short description/Abstract (250 words or less)
- Presentation format (Options: poster, 45 minute workshop, 90 minute workshop)
- Association membership
- Equipment needed
