

February 2, 2017

Dear Galaxy Conference Registrant:

We look forward to hosting you here at the C. A. Vines Arkansas 4-H Center during the **2017 Galaxy Conference**. We want to do everything we can to make you feel welcome here at the Center during your stay and to make this year's conference the best one ever.

We know that you have a choice of lodging options for the conference but we hope that you will consider staying with us here at the 4-H Center. We continue to work toward making the Center a warm, welcoming place to stay and conduct business and we offer many reasons why lodging here is a great choice!

- Recently upgraded free high-speed wi-fi throughout the Conference Center and lodging halls;
- Satellite TV in each room in lodging halls 1 and 2;
- A flat rate of \$70 per room regardless of whether you lodge one, two or three people per room;
- Each individual who lodges with us will receive a free hospitality bag at check-in to make your stay more enjoyable;
- Stay on-site and don't worry about fighting early morning or late afternoon traffic and spend that extra 20-30 minutes each way networking and visiting with your colleagues.

In addition, we invite all Conference attendees to visit and enjoy the **hospitality room** at the recently renovated Feland Hall where free coffee and bottled water will be available for your enjoyment complements of the C. A. Vines Arkansas 4-H Center and the Arkansas 4-H Foundation. Also, while you are here, we hope you will come by our **Showcase Room** in Russ-Rainwater Hall to see the renovations we hope to soon have in all lodging rooms here at the Center. Those who come by to see the room can register to win the door prize drawing for a \$50 gift card to Target.

Lodging reservations at the Center can be made by calling 501-821-4444 or emailing mshepard@uaex.edu. We look forward to seeing each of you during the 2017 Galaxy Conference!

Sincerely,

J. J. Pitman
Director
C. A. Vines Arkansas 4-H Center

Sincerely,

Ewell R. Welch
Executive Director
Arkansas 4-H Foundation
