Save the date for 2014 Entrepreneur Camps!

Do you know a youth who is interested in starting a business now or in the future? Entrepreneur camp is the perfect place for Arkansas youth to learn the basics of starting a business and practice basic economic skills. It also offers youth the opportunity to participate in a camping experience during the school year, including traditional recreation and campfire programming. The Cooperative Extension Service offers simultaneous entrepreneur camps for two different age groups.

- **Entrepreneur Camp-Basic.** This camp is for 9-13 year olds. Campers will make a business plan, produce a mock business, and sell their products to fellow campers. They will also participate in a hands-on simulation to learn about creating a personal budget and managing their finances.

- **Entrepreneur Camp-Advanced.** This camp is for 14-19 year olds. Youth will explore the feasibility of a business concept they are interested in pursuing in real life. They will utilize computers to conduct basic market and financial research, develop and practice an elevator speech about their business idea, and visit with entrepreneurs in their field of interest. They will also participate in a hands-on simulation to experience their future in a financial decision-making mode.

**When:** February 21-23, 2014  
7:00 p.m. Friday - 1:00 p.m. Sunday

**Where:** C. A. Vines Arkansas 4-H Center  
Ferndale (West Little Rock), AR

**Cost:** T.B.D.
