POINSETTIA SALES

Countywide Fundraiser: Poinsettias Sale

We will do presales to businesses, individuals, and churches to be delivered or picked-up the first of December. We will provide fliers and order forms to all clubs. It will be very important to work hard on the presales. Poinsettias are not something we can just keep on hand for folks to stop by and purchase. They will arrive in pots with sleeves.

The club will have 30 days to pay for them.

We will be selling the Red (most popular) and White (many churches like the white).

Please talk this up with your friends and family. We can make this a huge success. No one else in our area is selling Poinsettias yet!

4-H can be known for their famous annual Poinsettias sale.

ONE DAY OF SERVICE

Purpose Arkansas 4-H members have always been proud of the communities they call home. Whether they live in urban or rural areas, they are contributing and caring citizens. One Day of Service is a way for all 4-H members to say “thank you” to their communities, county and state for all the support they have provided to 4-H members for more than 100 years.

One Day of Service occurs in the month of October in every county across Arkansas. It enables each 4-H member to recruit friends to help make their communities better through adopting a service project. These projects can be done as individuals or as an entire county 4-H program. Regardless of the project that is chosen, it is one day to make a difference!

Who can participate? One Day of Service is for current and future 4-H’ers, their parents, club leaders and volunteers. Depending on how big the service project is, you could even invite church groups, school groups, boy scouts and/or girl scouts to join you.

United States Department of Agriculture, University of Arkansas, and County Governments Cooperating. The Arkansas Cooperative Extension Service offers its programs to all eligible persons regardless of race, color, sex, gender identity, sexual orientation, national origin, religion, age, disability, marital or veteran status, genetic information, or any other legally protected status and is an Affirmative Action/Equal Opportunity Employer.
