Have you ever wondered how we learn about history?
Did you ever want to be an archeologist?
4-H youth are invited to participate in this years summer training program at Parkin Archeological State Park. We will be exploring prehistoric lives and the methods of archeology, touring an actual large scale excavation and working in a lab to clean artifacts that were recently discovered!

4-H Day of Archeology
June 11th, 2016
9 AM—3 PM
Bring your own Lunch!
