COMPLETE BEEKEEPING SHORT COURSE

Classes will meet at the UAM Agriculture Building at Scogin Dr. & Stadium Dr., Monticello, Arkansas

Monday Evenings 6:00-9:00 pm
February 15, 22, 29

This is a 3-part course, so plan to attend all three sessions!

Everything you should know to begin keeping your own honey bees safely and successfully!

- the bee hive and other equipment
- honey bee biology & behaviors
- how and where to get your own bees
- your first year with your new colony
- harvesting honey and beeswax
- bee hive pests and disease management
- honey bee laws and regulations

Classes are free and open to the public, but registration is required to ensure sufficient materials for all participants.

To register contact the Drew County Cooperative Extension Office at 870-460-6270

The Cooperative Extension Service is part of the University of Arkansas Division of Agriculture and offers its programs to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status, and is an Affirmative Action/Equal Opportunity Employer.
