Faulkner County Master Gardeners
Contact Us

The Faulkner County Master Gardeners invite you to contact us about our program and the services we offer the community.

Contact Kami Marsh at 501-329-8344 or visit the Faulkner County Extension Service Office in the Natural Resource Center located at:

110 South Amity Road
Conway, Arkansas

If you would like to schedule someone to speak to your organization, contact the Cooperative Extension Office. It takes time to schedule a program, so please contact us well in advance of your meeting.

If you are a Faulkner County resident who would like to share gardening knowledge and want to learn more eco-friendly, sustainable gardening practices, you may be interested in becoming a Master Gardener. During the training classes, participants receive more than 40 hours of training on the following topics:

- Plant and soil science
- Lawn selection and maintenance
- Vegetable and ornamental plant gardening
- Trees and shrubs
- Fruit basics
- Pest management and pesticide usage
- Pruning and other horticulture related subjects

Classes are formed each fall. You can contact the Faulkner County Extension Office (see above) for more information on the application (PDF) process. If Conway and Perry Counties do not have enough members to make up a class, these residents may participate in the training with Faulkner County.

Master Gardener Meetings

Monthly Meetings: Faulkner County Master Gardeners meet regularly on the second Wednesday of each month at 11:00 a.m. in the Tommy Lewis Conference Center at the Natural Resource Center, 110 S. Amity Road, Conway, Arkansas. This schedule may vary for the group's traditional summer and holiday social events.

County 76: This state level Master Gardener organization helps set policy and provides guidance to county programs. County 76 is open to all Master Gardeners who have completed one year in the program, agreed to attend the next leadership training (if they have not already attended), recertified and remain in good standing on the local level. County Agents who have an active Master Gardener program in their county may also join.

Upcoming Events

- State Master Gardener Meeting
- Regional Master Gardener Meeting (on even-numbered years)
