Broiler Chickens for the State Fair
It is time to begin preparations for the Youth Market Broiler Show at the 2016 Arkansas State Fair.

- Thirty (30) pullet chicks will be provided to each exhibitor for the exhibition at the 2016 Arkansas State Fair. Chicks are provided at a cost of $15.00 per exhibitor.
- A pen of three approximately seven-week-old broiler pullets constitutes one entry.
- Chicks will be provided through the county offices of the Cooperative Extension Service and through local vo-ag (FFA) chapters, from the University of Arkansas Poultry Science Department.
- Order/Entry deadline for the broilers is July 25, 2016. Contact the Extension Office for an order form.
- All birds will be from a single hatch from the same breeder flock, and will be wing-banded for permanent identification by the University of Arkansas Poultry Science Department.
- Participants will be responsible for acquiring feed for the project.
- Broilers will be entered and sifted on Saturday, October 15th from 8:00 a.m. to 10:00 a.m.
- The Broiler Show begins at 10:30 a.m. on Saturday, October 15th.
- All Junior Exhibitors must be present at the show to be eligible for competition. This program places every exhibitor on an equal basis for getting started. This also makes chick management and final selection the keys to success at the shows.
