September 1st all 4-H Online Profiles will be changed to in-active. You must re-enroll for the new 4-H Year after September 1. Below are instructions for re-enrolling in 4-H online. Please pay attention to these instructions and do not create a new profile for your members. Also be sure to pay attention to the Health Form Page, if this page is not filled out we will have to send back the enrollment for you to correct. It is the members responsibility to ensure that the mailing address & phone number is correct and up-to-date, this database is what we use for mailings and contact info throughout the year. For assistance in re-enrolling, contact the County Extension Office at 870-368-4323.

Most all of our clubs have a Facebook Group to keep their members up to date. Be sure to also join the County Group, this is where we keep everybody updated about upcoming events and activates in-between newsletters and e-mails.
