4-H Youth Development - Annually, over 3,000 youth and adult volunteers in Jefferson County participate in 4-H programming in the areas of Science, Technology, Engineering and Math (STEM); Citizenship and Leadership; Healthy Living and Smart Nutrition for Active People (SNAP-Ed). County 4-H clubs meet monthly, each led by youth officers under the guidance of trained 4-H adult volunteers. 4-Hers participate in exciting hands-on educational activities using national 4-H curriculum that is supported by research of land-grant universities. Youth (and adults) can participate in 4-H by enrolling as a member or volunteer, attending a 4-H camp, through a school enrichment class or a special interest program. 4-H also offers lots of project area competitions and opportunities to attend conferences and out-of-county events.

Enrollment for the 2014-2015 4-H year will begin on September 1st, 2014. To enroll in Jefferson County 4-H, log on to https://arkansas.4honline.com. You will be prompted to “create a profile”. Simply follow all the steps until your enrollment is complete. The current list of 4-H Clubs and their meeting times and locations is as follows:
