4-H Enrollment:

It is time once again to update your 4-H online enrollment! October 1st begins our new 4-H year and we want to get everyone updated as soon as possible so that we have updated information when sending out announcements. If you have enrolled since September 1st, you do not have to do this.

Directions:

Go to http://arkansas.4honline.com
Login to your existing profile (PLEASE DO NOT create a new profile, if you have forgotten your password you can have that sent to you or if you need to know what email address you used please contact Annie and she can look that up for you). Parents, unless you are a leader, you do not have to create a profile for yourself. If you need assistance please contact the Extension office!

Updating your profile is the best way to ensure that we have your most up to date information, mailing address, email, phone numbers, etc.

ATV Safety

ATV Safety is a big issue throughout the year, but during hunting season there is added danger.

Please remember first and foremost that an ATV IS NOT A TOY!

Here are a few other ATV safety tips that could save your life:

- Always wear a helmet
- Single rider use only
- Scout your area
- Do not place added weight in the front or back of the machine, causing it to become off balanced
- Be extra cautious when transporting guns make sure they are properly secured, NOT across your lap!

If you interested in taking an ATV Safety Course please contact the Extension office.
4-H Pumpkin Extravaganza

When: Tuesday, October 20th at 6pm
Where: Sharp County Fairgrounds
Registration deadline: October 13th

$5 REFUNDABLE deposit required for each child attending! The deposit is required before registration complete!
Those who attending will receive their deposit back at the event, this just helps us to get a good head count before purchasing supplies.

The annual 4-H Pumpkin Extravaganza is a super fun event for the whole family!
We provide everything children will need to decorate a spectacular pumpkin (we do not carve for safety reasons)!! We will provide pumpkins for all children in attendance! So that we can get a count of how many pumpkins we will need you MUST register no later than October 13th. The Ash Flat Fire Department will be presenting a short educational program on home fire safety, ways we can all be aware of the danger of fires, and steps to take to be prepared.

We hope your family will join us!!
4-H One Day of Service:

The 4-H One Day of Service can be held any day in October and is a day your club sets aside to give back to your community. The project can be anything that your club chooses so put on those creative thinking caps!

We do need to report these projects so that they can be counted with all the other service projects going on across the state so once your club decides on a project idea please contact Annie so that she can get the information from you.

4-H Video:
Calling all movie stars!!

We are in the process of putting together a 4-H video to show at different times throughout the year and to share with those who contribute to our program.

Here is what we need from our 4-H members: Record yourself telling us your name, Club Name, either an event you loved, something you competed in, your project, or if you are an officer, etc. Then wrap it up by saying "I am Sharp County 4-H"!
This video is 100% you be creative, make it your own!!
Send videos to Annie by October 16th!

Sincerely,

J. Joe Moore
CEA/Staff Chair
