Canner Testing

Call 870-261-1730 to schedule an appointment

Bring whole canner

It is recommended that canners be tested each year.

Testing only takes 15 minutes to ensure you have a properly working pressure canner.

This service is available to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status. Persons with disabilities requiring alternative means of communication of program information (large print, audiotape, etc.) should notify the county Extension office at 870-261-1730 as soon as possible prior to the activity.
