1. Be ready at gate. Work gate with left hand.

2. After gate, pick up left lead and lope over log.

3. Break to trot and trot over logs.

4. Trot around corner and stop at barrel to rope dummy. Drop your rope whether you catch or not. Use rope provided or your own.

5. Walk over bridge.

6. Trot through cones.

6. Stop at log and sidepass right.

7. Walk into box and complete 360° turn eitherway. Pattern is complete.
