1. Be ready at gate. Work gate with left hand.

2. Pick up right lead and lope to roping dummy.

3. Rope the dummy using your rope or the rope provided. Drop rope whether you catch or not.

4. Pick up jog and jog around cone and over logs.

5. Jog into box and complete a 450° turn to the left.

6. Walk out of box and walk over bridge and log.

7. Jog through cones.

8. Pick up the left lead and lope to cone.

At cone stop and buck 2 steps. Pattern is complete.
