

Registration Form
Muscadine Workshop and Field Day
 University of Arkansas Fruit Research Station
 1749 State Highway 818, Clarksville, AR 72830
Tuesday, September 11, 2018 from 2:00-7:30 pm

The University of Arkansas System Division of Agriculture will be hosting a Muscadine Grape Workshop and Field Day at the Fruit Research Station at Clarksville on **Tuesday, September 11th**. We have an array of speakers for this workshop to give updates that impact muscadine grape production. In addition, we will have a display of muscadine cultivars and selections developed by the muscadine breeding program at this facility, and a tour that will emphasize the Division's muscadine grape breeding program. Whether you are a new or potential muscadine grape grower or processor, this is a great opportunity! *This workshop is funded by the Arkansas Association of Grape Growers.*
