Santa’s Apple Cookies

Ingredients:
- Apple
- Peanut Butter or similar (almond, sunbutter, etc.)
- Blueberries
- Banana
- Strawberries

Other Supplies:
- Good quality knife to cut apple
- Plastic knife and spoon
- Paper towels and paper plate

Food Prep:
- Wash fruits.
- Slice banana into 1/2 inch slices. Then take some of the sliced strawberries and cut them in half.
- Slice strawberries in to 1/2 inch slices. Then take some of the sliced banana and cut them in half.
- Core the apple and slice horizontally to make apple circles.
- Dry off apple slices with a paper towel. This will allow the peanut butter to be spread on more evenly.
- Place prepared ingredients a plate for the child to make and decorate their “cookie”.
- Make sure to have an example prepared for the children to use as a guide.

How to Make an Apple Cookie:
- Using a knife, spread about a teaspoon of peanut butter evenly across the top of one apple slice. (Depending on child’s skill level, you may need to spread the peanut butter on for them.)
- Make a pattern with the berry fruits on top of the apple. Examples are provide below of what you can do.
- Encourage children to make their own apple cookies. The apple cookie does not have to look like the example.
