**ANIMAL SENSORY BOTTLE**

**MATERIALS**
- A clear plastic bottle
- Baby oil
- Water
- Animal pieces
- Glitter
- Tape / glue
- Funnel

**STEP 1**
Add animal pieces to your bottle.

**STEP 2**
Use a funnel and fill the bottle 1/2 full with water.

**STEP 3**
Add 1-2 tsp of glitter. Add more later if you want it to be less see-through.

**STEP 4**
Fill the bottle the rest of the way with baby oil.

**STEP 5**
Secure the lid on by putting a thin ring of glue around the inside of the lid, or tape the outside.
