

## Clean and Green

Please take a few moments to fill out this survey **before class starts**. Your answers help us tailor our program to meet the community's needs in the future. Thank you for your help!

1. How do you clean your home?

- Mostly with chemical conventional products
- Mostly with "green" labeled products
- Mostly with homemade products
- A little bit of all the above

2. Are you aware of the health risks of using chemical cleaners when cleaning your home?

- Yes
- No

**Note to Agent:** Please copy front and back or staple pages together before class.

Prepared by Margaret Harris, Ph.D., M.S., Assistant Professor - Health, University of Arkansas Division of Agriculture ([mharris@uaex.edu](mailto:mharris@uaex.edu)).
