Record of Use of Credit Cards and Charge Accounts

Classify your purchase into the 15 groupings of the "cash paid out" pages, and enter in the appropriate column.

Month	Which Card or Account	Kind of Purchases	Amount Charged	Paid on Card or Account	Interest Charged on Statement

At the end of the month, draw a line to show the end of charges and payment activity for the period. Summarize and transfer to the appropriate columns of monthly record pages 18-40; in space "Goods and Services Purchased," write "credit card" or "charged."
