How Do I Find Out What is on State Contract?

To find out what items should be ordered on State Contract, go to [www.dfa.arkansas.gov](http://www.dfa.arkansas.gov)

On the lower left-hand side, click on the link for **Procurement**, then again on the left side, click the link for **State Contracts**. This will bring up a list of State Contract items with Commodity, Contract, Expiration and Vendor. Once you have located your item, click the listed item for detailed information.
