BENEFIT PAYMENT

Your **Initial Benefit** provides a lump-sum payment upon the first diagnosis of a Covered Condition. Your plan pays a Recurrence Benefit³ equal to the Initial Benefit for the following Covered Conditions: Heart Attack, Stroke, Coronary Artery Bypass Graft, Full Benefit Cancer and Partial Benefit Cancer. A Recurrence Benefit is only available if an Initial Benefit has been paid for the Covered Condition. There is a Benefit Suspension Period between Recurrences.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit** and is 3 times the amount of your Initial Benefit. This means that you can receive multiple Initial Benefit and Recurrence Benefit payments until you reach the maximum of 300% or \$30,000 or \$60,000.

Please refer to the table below for the percentage benefit amount for each Covered Condition.

Covered Conditions	Initial Benefit	Recurrence Benefit

CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

The certificate provides critical illness coverage ONLY. It does not provide Medicare Supplement Coverage. Subject to the provisions of the certificate, including limitations, exclusions and submission of proof of a covered condition, the certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and certificate. This is not the insurance contract and only the actual provisions of the Group Policy and certificate under which you have coverage will control. Each certificate sets forth in detail the rights and obligations of both you and MetLife under the certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.
- 3) MEDICAL COVERAGE** – The Policy does NOT provide any type of medical coverage and is not a substitute for medical coverage or disability insurance. You should have medical insurance in place when you apply for coverage under the Group Policy.
